REMARKS

This response is submitted in reply to the Office Action mailed February 8, 2005, which requires an election of one of the following patentably distinct species:

- (1) Figures 1-11 (Species I comprising Sub-species I and Sub-species II); or
- (2) Figures 12-13 (Species II).

Applicant hereby elects Species I, Sub-species I and respectfully requests substantive examination of Claims 1 - 4, 7 - 14, and 32 - 34, which read on the embodiments of FIGS. 1 - 11. Applicant agrees that unpatentability of claims directed to the embodiments of Species I, Sub-species II and/or Species II would not necessarily imply unpatentability of claims directed to the embodiments of Species I, Sub-species I. Accordingly, Applicant is making this election without traverse. Claims 5, 6, 15 - 31 have been canceled without prejudice or disclaimer.

Respectfully submitted,
